Dear all,

We are soon ready to welcome you to Tromsø. Below, I have included some practical information that might be useful for you.

Arrival: Sunday 21 April (for most of you)

Accommodation: Clarion Collection Hotel With, the hotel will invoice UiT directly.

Travel from the airport:
The airport express coach stops at several hotels in central Tromsø. Travel time is approximately 10 – 15 minutes to Tromsø city center. The buses are located outside the arrival hall. The taxi stand is also located directly outside the arrival hall. Travel time to city center is approximately 10 minutes.

Meeting room 22 April: UiT, Teorifagbygget, building 2, room 2.310.

How to get to UiT:
Bus no. 20 and 21 from Tromsø city center (ask at the hotel), or by taxi. Ask the taxi to bring you to the Mix-kiosk on the University campus.
Bus tickets might be bought via the app: Troms Billett and bus times can be checked here: Troms Reise app.

Workshop 23 April:
The workshop will be held in the City Center, at Mack Ølbryggeri (Mack brewery). https://www.mack.no/en/index.php?p=visit. For my planning, I need you to register for the workshop by following this link: Future of Arctic Law and Governance Workshop | UiT

Dinner/social program:
We will organize joint dinners on Monday and Tuesday.
More information will be provided shortly.

Reimbursement of travel expenses:
My colleague, Silje Veronika Guleng, will send more information about the reimbursement process. We will need personal/bank information, in addition to a copy of your passport. If your institution has paid for your flights, they can issue an invoice to UiT and hence there is no need for a travel claim.

We look forward to welcoming you to NCLOS and Tromsø!

Best,
Christin

Subject: Program Day 1 (22 April) FALG meeting

Dear all,

I am finally able to share the program for day 1 of our FALG meeting. Some of the timelines may change slightly as I am still waiting a few confirmations from NCLOS – but it will be roughly like that:

Morning

- 10:00 -> Welcome and Introduction, Vito De Lucia
- 10:15 -> Roundtable presentation of own research relevant for FALG (papers, PhD projects etc.)

11:15 **Coffee break**

- 11:30 -> Roundtable presentation of own research relevant for FALG (papers, PhD projects etc.)

13:00 **Lunch**

NB: We are looking at something between 5-10 minutes slots per person, probably closer to 5 – a bit depending on final amount of attendees, so just a quick outline to share with the group (eg no powerpoints, no formal presentations etc.)

Afternoon

- 14:00 – 16:00 -> Internal admin meeting for FALG members (status, next theme, host for workshop 2025, PhD course, MISC)

Best
Vito
