CORA NEWSLETTER 4/2017

This newsletter highlights activities of the centre and its members.

While Christmas is approaching and daylight hours are slowly increasing, CORA is sending the last newsletter of this year.

It was an amazing year for CORA, full of numerous activities and publications.

2017 celebrates the Reformation. Even though this historical event is primarily a religious event, it has had a profound and lasting impact on both society and law. CORA has held a special seminar to mark the 500th anniversary of the Reformation on 31 October 2017. You will get a chance to read the main part of the presentations in the “Ugeskrift for Retsvæsen” during the next year.

We would like to thank all of you for the excellent and productive cooperation. We look forward to continuing our successful relationship with you next year. We hope you enjoy reading our newsletter.

Merry Christmas and a Happy New Year!
