

## New EU Horizon Project - EXPRESS2

Kick-off of EXPRESS2, a research project dedicated to building a more inclusive, democratic, and sustainable social contract for Europe. CLIMA contributes to EXPRESS2 with a work package on **climate change and biodiversity as stressors to the social contract**.

The project gathers 11 partner institutions from 9 countries: Spain, Denmark, Italy, Hungary, Belgium, Ireland, the United Kingdom, Turkey and Norway.

## Research

### HUMAN RIGHTS LAW REVIEW

#### What's in a Right? Concretizing States' Climate Change Mitigation Obligations under Human Rights Law

In this article, **Linnéa Nordlander** explores the emissions reductions obligations that can be deduced from human rights scholarship and enforcement mandates. The analysis identifies and assesses three human rights pathways (law-making, litigation, and monitoring bodies) that can help advance state ambition on mitigating climate change.  
 Find the article here.

   
 issn 1875-4120

#### Different Paths to the Same Goal? The Potential of BITs and FTAs for Achieving Climate Objectives

Through an analytical framework aimed at highlighting similarities and differences between climate-related provisions in FTAs and BITs, **Alessandro Monti's** article sheds light on how innovative FTAs and BITs have progressively integrated climate change provisions, while pointing out the respective challenges for FTAs and BITs to support climate action.  
 Read the article here.

 **European Geosciences Union**

#### Did you know that a lack of Arctic shipping regulation has detrimental environmental effects?

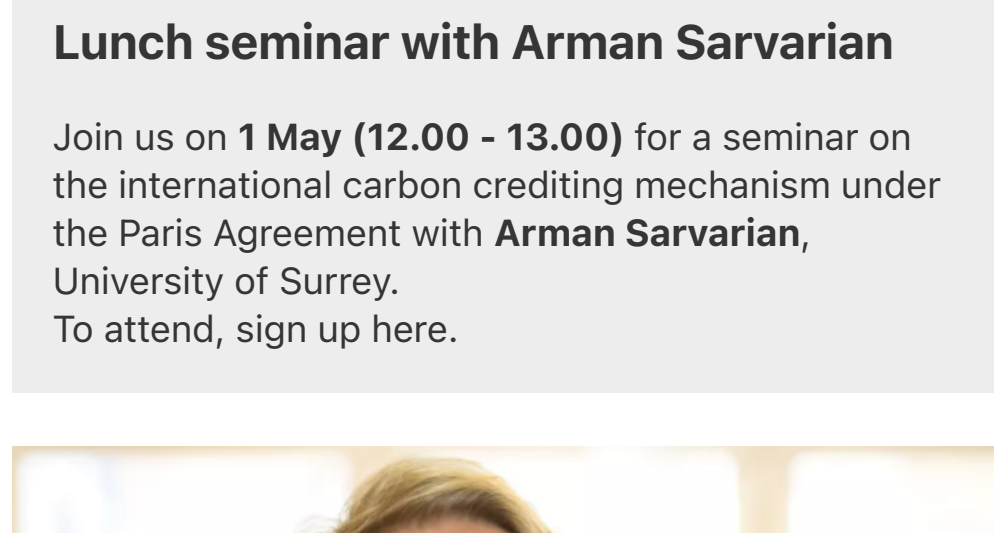

The blog post by **Stella Ebbesmeyer** explores the detrimental environmental effects of insufficient Arctic shipping regulation. In the post, Stella sheds light on the regulation of black carbon emissions from Arctic shipping.  
 Read the post here.

 **THE GLOBAL NETWORK FOR HUMAN RIGHTS AND THE ENVIRONMENT**

#### Recognizing the Right to a Healthy Environment at the Council of Europe: Why Does it Matter?

The article of **Linnéa Nordlander**, **Corina Heri** and **Annalisa Savaresi** investigates the progress and the challenges in the recognition of the right to a healthy environment into the European Convention on Human Rights.  
 Find it here.

## Events
