Climate and Sustainability News

From the Center of International Law and Governance

11-06-2021

CILG Launches Climate and Sustainability Newsletter

The Climate and Sustainability Newsletter is anchored at the Center for International Law and Governance (CILG), Faculty of Law, University of Copenhagen. The Newsletter shares relevant information and opportunities on events, research projects, publications and educational activities related to climate change, sustainability and the environment. **[Click here to subscribe.](#)**

Research

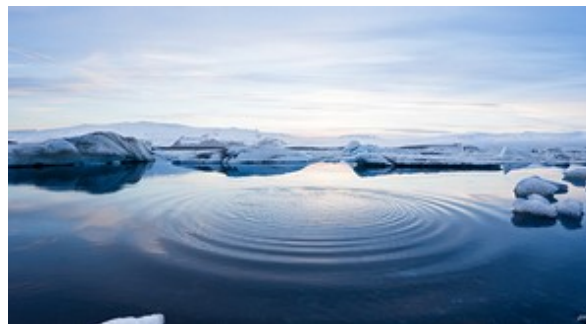

01-04-2021

Launch of DFF Research Project 'Enhancing Climate Action Beyond the State (EnAct)'

In the course of the next two years, EnAct will explore **how human rights and investment law can contribute to enhancing climate action.**

The research team consists of PI **Associate Prof. Beatriz Martinez Romera**, **Postdoc Linnéa Nordlander** and **Postdoc Alessandro Monti**. The project runs in collaboration with co-PIs **Prof. Jens Elo Rytter** (CILG) and **Prof. Birgitte Egelund Olsen** (Århus University).

17-05-2021

New Research Network on Climate Arctic Governance (CArGo) starts in September

In collaboration with the **Faculties of Humanities, Science and Social Science**, CILG has received a two-year grant from the University of Copenhagen for an interdisciplinary research network on climate arctic governance.

The network will be launched in September and is open to all disciplines and researchers.

If you wish to partake, please get in touch with Beatriz Martinez Romera: (beatriz.martinez.romera@jur.ku.dk).

01-04-2021

New Interdisciplinary Project from 1 April on SSH and Sustainable Business

The project, funded by Carlsberg, aims at

01-04-2021

Start of Research Project 'Democratic Innovations in a Green Transition (DIGT)'

This DFF-funded research project explores

building an open access database on 1: references to sustainability among Danish companies, and 2: the forms of expertise involved in defining and addressing sustainability in these companies. The project is carried out by **Prof. Kristian Laut** (CILG) and **Prof. Steffen Dalsgaard** (ITU).

how democracy is affected by, and can in turn affect, efforts to address the effects of climate change.

The project team consists of **Prof. Amnon Lev** (CILG), **Prof. Lars Tønder** (Political Science) and Postdoc **Mads Ejsing** (Political Science).

Events

14-06-2021 kl. 09:30 - 13:00

Call for Abstracts

Deadline: 16-08-2021

Call for abstracts to present at the next Interdisciplinary Seminar on Climate, Energy and Sustainability on **2 September 2021**. The seminar offers an opportunity to students and junior researchers to present

Faculty of Law, ideally with at least one year left to study. To apply, send your CV and short letter of motivation **by 16 August 2021** to Amnon Lev (amnon.lev@jur.ku.dk).

their work on climate, energy and sustainability related topics, and receive feedback from peers and participants. If you wish to present your work, please send the title and an abstract of your presentation **by 16 August 2021** (max. 300 words) to Beatriz Martinez Romera (beatriz.martinez.romera@jur.ku.dk).

Visiting Scholars

01-01-2021 - 31-12-2021

Andreas Hoesli

PhD Fellow Andreas Hoesli, from the University of Zurich, Switzerland is conducting a visiting research stay at CILG. His research on "Climate Change and Corporations – From Greenwashing to Legally Binding Rules" addresses the recent rise of private climate governance, in particular with respect to corporations' responsibilities.

15-08-2021 - 30-09-2021

Karla Zambrano González

PhD Fellow Karla Zambrano, from the University of Valencia, Spain will be a visiting researcher at CILG from August 2021. Her doctoral research is supervised by Prof. Dr. Valentín Bou Franch and examines the role of the European Union in the international climate negotiations.

Our newsletter shares the latest climate, environment and sustainability news, events, research, education and opportunities from CILG, Faculty of Law.
