

Course coordinator evaluation form. Course evaluation autumn 2024.

Course name:	
Course Coordinator:	
Evaluation period (semester/academic year):	
Has the students turned in their final evaluations:	
Has the lecturer(s) turned in their final evaluations:	
Follow-up on previous evaluations. Has the course sparked any initiatives based on the latest evaluation, and what effect have they had?	
What is the quality of the teaching on the course in general (based on responses from the students and lectures and exam statistics)?	
Are there elements that require particular mention? (must be answered . <i>Can be answered with a 'no'</i>)	
Elements that work particularly well. These may be both individual examples of innovative thinking as well as elements that span all the classes.	Elements that are unsatisfactory and require action. These may include discrepancies between good evaluations and low grade average, particularly low level of activity etc.
Reflection on the course's character level and failure rate	
What initiatives does the course intend to implement based on the above?
