

LEGAL TECH DEMO WITH OPTILEGAL

OptiLegal is a digital library built with private legal clauses, documents and know-how, with an index for users to easily search for information. It uses an instant scanner that detects headings and paragraphs without requiring users to make entries one by one.

Q&A and networking will follow

31 MAY

16:30 - 17:30

Faculty of law, Karen Blixens Plads 16
Pejsestuen (Fireplace room)

UNIVERSITY OF
