

## How to find the venue

South Campus  
Faculty of Law  
Njalsgade 76  
DK-2300 Copenhagen S

### Room 8A-0-57 ('the Flexroom'), ground floor

Once you are out from the Islands Brygge metro station, cross the car park and enter the building of the Law Faculty through the revolving door (the red arrow marks the entrance).

Go inside and straight out until you reach the yellow area. Enter the big room on your left with the Atrium and the Legal Knowledge Centre. As soon as you have entered the big room, turn right, and in the front right corner is the Flexroom.

If you need help, then as soon as you enter the Atrium, there is a Helpdesk right before you. It is usually manned by students who can guide and inform you.

\*\*\* On the map below right, the yellow star marks where the Flexroom is.
