15.15-16.00 Book launch and drinks in Pejsestuen:

Book: “Buying AI: The Legal Framework for Public Procurement of Artificial Intelligence in the EU”, Edward Elgar Publishing.

Edited by Christoph Krönke, Patricia Valcárcel Fernández

Christoph Krönke, Patricia Valcárcel Fernández and Albert Sanchez Graells will present a recent book edited and written by members of the European Procurement Law Group (EPLG) on the role of public procurement law in regulating the acquisition of Artificial Intelligence (AI) systems for use in public administration in EU Member States. The book features in-depth analyses on the topic from Austria, Denmark, France, Germany, Italy, Spain and the UK, as well as detailed comparisons of their respective legal frameworks.
